Regulation 18(3) APPLICATION FOR WATER SUPPLY

Ref No

Customer Name

I/We make application for water to the under mentioned premises subject to the waterworks Rules, and at the charges imposed and fixed by the Water authority and applicable to the purpose for which the supply is required, and I/We agree to pay for the charges.

I undertake not have the work begun before the consent of the Water Authority is received and to have the work carried out in accordance with the waterworks Rules to the ratification of the wear authority. I further undertake to notify the water authority as the work is completed and to give facilities for its inspection by water authority whose proper charges in connection with the work I undertake to pay in advance.

Signature of ApplicationDate

CERTIFICATE

The Certificate must be signed by the owner of the promises concerned, I certify that I am the owner of the promises referred to the application and agree that the promises be supplied with water from the waterworks as from:
